Opening Theme Song

INT. FRONT DOOR OF MUFFIN'S HOUSE - MORNING

The doorbell rings.

UNCLE STRIPE opens the door. MUFFIN and SOCKS rush forward to greet their cousins.

MUFFIN
Bluey! Bingo!

BLUEY and BINGO tumble in excitedly. BANDIT and CHILLI follow behind.

BLUEY AND BINGO
Hi Muffin! Hi Uncle Stripe!

MUFFIN
Let's go!

The girls run off together.

BANDIT
Hey Stripe!

STRIPE
Hi, good to see you guys.

CHILLI
I better get the prizes to Trixie.

Chilli holds up a bag with goodies.

STRIPE
Uh ya, she's in the kitchen.

CHILLI
Perfect.

Chilli leaves for the kitchen.

INT. LIVING ROOM (MUFFIN'S HOUSE) - MOMENTS LATER

Aunt Trixie and Chilli gather the kids.

TRIXIE
All right girls, settle down. We've set up a special scavenger hunt.

MUFFIN
A scavenger hunt?

STRIPE
There are clues hidden all around the house and the backyard. You just need to follow them until you reach the end.

BANDIT
And you need to work together if you want to find the treasure at the end.

MUFFIN
Treasure!!!

Chilli hands Bluey the first clue. Bingo bounces eagerly and Muffin is already scanning the room.

BLUEY
(Reading)
I control TVs, When I'm lost you know where to find me.

The kids think.

BINGO
The remote! Muffin, check the TV!

Muffin finds nothing.

MUFFIN
(Upset)
It's not here!

Socks start digging through her toys. Suddenly Bluey's eyes light up. With a knowing smile she turns to Bingo

BLUEY
Wait... Bingo, where does Dad say to check when we can't find the TV remote.

BINGO
(proud)
In the Couch!

Muffin gasps. She dives into the couch cushions and pulls out the remote. Attached is an envelope.

MUFFIN
I got it!

She holds it up and everyone cheers.

CUT TO

TITLE CARD: SCAVENGER HUNT

INT. LIVING ROOM (MUFFIN'S HOUSE) - CONTINUOUS

Muffin opens the clue. Inside is a single garden glove.

BINGO
Huh? Gardening gloves?

BLUEY
(sceptical)
Are you trying to trick us into doing
chores?

CHILLI
Of course not!

BANDIT
(to Chilli)
At least not right now...

CHILLI
It's your next clue. You need to find
the other one.

BINGO
The other one? It's not there?

MUFFIN
Nope.

BLUEY
Where do you guys keep your gloves
muffin?

MUFFIN
Um, it's one of Mum's garden gloves...
so the shed.

BLUEY
Let's go.

The girls exit in a hurry.

EXT. MUFFIN'S BACKYARD - CONTINUOUS

The kids rush towards the garden.

BINGO

Come on Socks. Let's check the garden.

BLUEY

(to Muffin)

We'll check the shed.

Bingo and Socks search around the plants but find nothing. Muffin pushes past Bluey and tears through the shed like a tiny tornado.

BLUEY (CONT'D)

Muffin!

MUFFIN (O.S.)

I found it!

Before they can see what it is Muffin dashes past them back in the direction of the house. Holding what appears to be a dark piece of fabric.

BLUEY

Muffin, wait!

BINGO

What did you find?! ... Why won't she let us help?

Socks barks and chases her sister

EXT. BARBECUE AREA - CONTINUOUS

Muffin is already searching.

BLUEY

What's the clue, Muffin?

MUFFIN

Dad has the next clue!

Muffin runs inside. Still holding the fabric.

BLUEY

(annoyed)

Muffin!

BINGO
(angry)
Wait up!

Socks Barks angrily at her sister.

INT. LIVING ROOM (MUFFIN'S HOUSE) - CONTINUOUS

The parents are sitting together when they hear Muffin

MUFFIN (O.S.)
Dad!

STRIPE
Oh boy.

He stands up ready to run just as Muffin barrels toward him.

STRIPE (CONT'D)
Nope!

Stripe grabs Bluey as a shield. Bluey tries to escape.

BLUEY
(giggling)
Hey!

Oh wait!

Bluey grabs one of Stripe's legs and Bingo grabs the other.

BINGO
Got you!

Muffin playfully "tackles" him to the ground while Socks sits near his head, tail wagging. Stripe quickly surrenders. Muffin finally reveals the clue, holding up Uncle Stripe's apron.

MUFFIN
Give it!

STRIPE
Alright, Alright!

Stripe pulls the next hint from the pocket and goes to hand it to Socks.

STRIPE (CONT'D)
Here you go, socks-

Muffin snatches it and runs.

STRIPE (CONT'D)

Hey!

He tries to stop her, but she's already gone.

The girls don't bother following.

BLUEY

(defeated)

What's the point? She's doing all of them.

BINGO

She doesn't even wait for us.

MUFFIN (O.S.)

Found it!

Muffin runs in with an envelope.

MUFFIN

Hurry up!

No one moves.

MUFFIN (CONT'D)

Why did you stop?!

BINGO

It's no fun anymore.

BLUEY

You didn't even show us the clues.

MUFFIN

But I'm winning!

Uncle Stripe kneels in front of Muffin.

STRIPE

It's supposed to be a team game Muffy.

TRIXIE

You're meant to work together.

STRIPE

If one person does everything... well nobody really wins.

Muffin looks at her sister and cousins. They look sad and disappointed. Her ears droop.

EXT. MUFFIN'S BACKYARD - A LITTLE LATER

With the scavenger hunt still unfinished, Muffin steps onto the deck with Aunt Trixie and the envelope.

MUFFIN

We can finish it... together.

She holds the clue out. Bluey takes it.

BLUEY

(reading)

Where you rest your sleepy head, and
tuck yourself into bed.

BINGO

The bedroom!

Muffin starts to run then stops herself. Waiting this time.

MUFFIN

You go first...

They all head inside together.

INT. SOCKS BEDROOM - CONTINUOUS

The kids search for the next clue.

BLUEY

Check the pillows!

BINGO

Nothing under here!

Muffin scans the room but stays back. Socks notices paw-print stickers on the floor. She follows the trail across the carpet... then up the wall... and underneath a low shelf.

She barks loudly to get everyone's attention.

BINGO (CONT'D)

Did you find it, socks?

There is an envelope taped under the shelf. Bingo pulls it free, showing it to everyone. Muffin watches quietly.

BLUEY
Good job Socks!

CLUE (PICTURE): A drawing of dogs dancing in front of two big dogs holding scorecards.

BLUEY (CONT'D)
(giggling)
Looks like we have to impress the judges with a dance.

Muffin grins. They all rush outside together.

EXT. MUFFIN'S BACKYARD - CONTINUOUS

Bandit, Chillli, Stripe, and Trixie sit in a row like serious judges.

BANDIT
All right, lets see what you've got.

The cousins huddle together whispering a plan. Uncle Stripe starts the music.

BLUEY starts dancing.

BINGO spins with Socks on her back.

Muffin hangs back.

BLUEY
Come on Muffin!

BINGO
Ya! We can't win without you!

Smiling Muffin joins in going wild. They bounce, spin, stomp, and wiggle together in one silly, joyful routine.

They finish with a pose.

MUFFIN, BLUEY AND BINGO
Ta da!

The parents erupt into applause, and Bandit pretends to wipe away a tear.

BANDIT
(dramatically)
That was so beautiful. 10 out of 10!

Chilli and Trixie brings out four small boxes. Inside are cookies, candy and a bracelet. Trixie hands Muffin hers last

TRIXIE
Good job Muffin.

BANDIT
Proud of you Muffy.

Muffin smiles proudly and all the girls celebrate together.

END
